## WELCOME

Nestled deep in the Hickory Nut Gorge, on the banks of the Rocky Broad River in historic Chimney Rock Village, there is a gemstone mine of great opportunity where you can prospect for your own gems. You are invited to a riverside setting unparalleled by any other mine in the area. Come experience the wonder and excitement of prospecting for gemstones in a pleasant and comfortable atmosphere. The friendly staff will happily assist you in any way possible, from discovery to cutting your gemstone.

Rocks and minerals of all kinds have been found including Aquamarine, Emerald, Ruby, Garnet, Peridot, Quartz, Agate, Hematite, Amethyst, Sodalite, and many more. Children are fascinated by these stones, and attendants are on hand to assist them in identifying, classifying, and educating each and every one.

The gemstone mine guarantees a gem find every time, so everyone can feel the thrill! Gemstone buckets are available in numerous varieties and prices. Small or large groups are always welcome at the gemstone mine. Many valuable gemstones are found each day, and you keep what you find! All equipment is furnished and there is no experience necessary, we'll show you how! Just purchase a gemstone bucket from the attendant down at the flume, and we'll get you started.

The basic process of flume mining involves a bucket of mine dirt, lots of running water, and you. We supply you with all the equipment you need to start your own flume mining operation for the day.

Kiddie - \$8.00  
Regular - \$15.00

Family: \$25.00  
Mega: \$50.00

\*Special prices for groups are available

It's great fun for the whole family and everyone leaves with a gemstone!

SEE YA ON THE RIVER! OPEN ALL YEAR!
